Dear Mrs. Windich,

On behalf of the Women's SC Junior Golf Foundation, please extend our appreciation to the ladies golf association of Charleston Area Ladies Golf Association for the generous donation for the junior golfers. The commitment to helping junior golfers is sincerely appreciated.

Each year the WSCGA Junior Golf Foundation strives to advance its mission of promoting junior golf by providing learning and playing opportunities for the golfers. We also provide financial assistance to help offset the expenses associated with junior golf. In particular, the foundation has enjoyed great success in the past year and was able to provide financial assistance to 11 junior golfers in 2011.

The goal of the WSCGA Junior Golf Foundation is to continue to make a difference in promoting junior golf. With the help of donations from supporters such as you we will continue to see improvements in our mission.

Thanks again for your generous support of our efforts to support and promote junior golfers and helping to preserve the history of our great ladies golf association.

Best wishes for a safe and happy 2012.
